*No Matter the Distance*

**Introducing the new United Through Reading App**
For 30 years, United Through Reading has provided the opportunity for service members to be video recorded reading a storybook aloud to a child they love. While we encourage military members to video-record stories at more than 200 physical UTR Story Stations around the world, the service member can now download the United Through Reading App, which is both FREE and SECURE, on the Google Play and Apple Stores.
