First Login

Every child deserves a bedtime story.

Initial App Screen

To start the login process select Troop ID

Login

The screenshot shows a mobile browser interface for the ID.me login page. At the top, the status bar shows the time as 9:45 AM and 100% battery. The browser address bar displays 'Sign in - ID.me' and the URL 'https://api.id.me'. The ID.me logo is prominently displayed at the top of the page. Below the logo, the text 'Sign In' is followed by a link 'or sign up for an account'. There are two input fields: 'Email' with the placeholder text 'Enter your email' and 'Password' with the placeholder text 'Enter your password'. A dark blue 'Sign in' button is positioned below the password field. Underneath, there is a section titled 'Or connect with' with three buttons for 'Facebook', 'Google', and 'LinkedIn'. A link for 'Forgot your password?' is located below the social media buttons. At the bottom of the page, there are links for 'What is ID.me?', 'Terms of Service', and 'Privacy Policy'.

Clicking on Troop ID, redirects to ID.me login

If this is the first time using the app and you don't already have an ID.me account, select "sign up for an account"

If you already have an ID.me login enter it here

ID.me Verification

The screenshot shows the ID.me Troop ID verification interface. At the top, the ID.me logo is displayed. Below it, a red header bar contains the text "Troop ID". The main content area features a paragraph explaining that verification as a member of the military community is fast and easy, resulting in a digital Troop ID for exclusive benefits. A section titled "Select an option to verify your status" lists five verification methods: "Verify using a USAA membership", "Verify using a government service record (Choose this if you were on active duty after 9/30/1985)", "Verify using a .mil e-mail address", "Verify by requesting your DD214", and "Verify by uploading documentation". A link "Not sure which verification option to select?" is provided at the bottom. A language dropdown menu at the very bottom shows "English" selected.

If you selected “sign up for an account” ID.me will move to this screen.

Select the appropriate authentication method, and follow the instructions.

Spouses and children will need the Service Members information in order to create their own account.

If you recorded at a UTR site, be sure to sign up using the same email you used when making the recording.

Authentication Complete

Once authenticated, the UTR app will open.
