

United Through Reading helps Service Members and Veterans stay connected to the children in their lives through all of the separations of life. Whether separated due to duty, training, classes, work-shifts, geography, or deployments, UTR is there to foster bonds, promote resiliency, and build literacy. Following is the list of sites and locations participating in the United Through Reading program. If you do not see your site or unit listed, please contact Military@utr.org and we will work to get a program established at your location.

CURRENT PROGRAM LOCATIONS: The following list represents the current locations for United Through Reading as of June 30, 2022. This list is updated monthly on our website. For specific information regarding the sites, please email the designated Program Manager, or contact us at military@utr.org, or 858-481-7323.

Please note: If live email link does not work for you, copy and paste designated email address into the address of a new email from your email account.
