

United Through Reading helps Service Members and Veterans stay connected to the children in their lives through all the separations of life. Whether separated due to duty, training, classes, work-shifts, geography, or deployments, UTR is there to foster bonds, promote resiliency, and build literacy. Following is the list of sites and locations participating in the United Through Reading program. If you do not see your location or unit listed, please contact Military@utr.org and we will work to get a program established at your location.

CURRENT PROGRAM LOCATIONS: The following list represents the current locations for United Through Reading as of January 15, 2025. This list is updated quarterly on our website. Blue Highlighted sites are open to all service members and veterans with access. For specific information regarding the sites, please email the designated UTR contact, or reach us at military@utr.org, or 858-481-7323.
